

## INDICE

G. BELMONTE Presentation .....	p. 3
A. AHMETI, S. GRAZHDANI, A. ZYFI Modeling the impact of climate change and agricultural management practices on soil erosion in the agricultural basin of Lakes Prespa .....	” 5
A. APOSTOLOS, L. PEHLIVANOV Pilot underwater visual census study in a Bulgarian sub-Mediterranean reservoir .....	” 21
G. BELMONTE, G. ALFONSO, N. BEADINI, P. KOTORI, S. MALI, S. MOSCATELLO, B. SHKURTAJ An inventory of invertebrate fauna of Albania and Macedonia Lakes .....	” 27
A. DAUTI, G. KAPIDANI, B. PUPULEKU, N. KALLAJXHIU, A. JANÇE Pollen grains morphology of <i>Crepis albanica</i> (jav.) Babcock (Sin. <i>C. Baldaccii</i> subsp. <i>Albanica</i> jav.) .....	” 39
E. GJETA, O. POÇI, A. MULLAJ, P. NAQELLARI, B. PUPULEKU, B. KULLOLLI New floristic records for Shebenik-Jabllanicë National Park .....	” 45
D. GRAZHDANI Multi-criteria assessment of integrated land-use/cover management on the provision of ecosystem services in protected area of Lakes Prespa ..	” 55
N. HILA, S. MALI, M. MIRAKA Microbiological quality of outdoor air in some settings of Elbasan city .....	” 67
N. KALLAJXHIU, G. KAPIDANI, P. NAQELLARI, B. PUPULEKU, S. TURKU, A. DAUTI, A. JANÇE An allergopalynologic comparative study of the <i>Humulus Lupulus</i> ' pollen grains (Cannabaceae) in different habitats .....	” 75
H. KICAJ Zoogeographical study of centipededes (Chilopoda class) in Vlora region ..	” 83
E. LORENCOVÁ, L. BERAN, V. HORSÁKOVÁ, M. HORSÁK Non-native freshwater molluscs in the Czech republic: time course and environmental predictor .....	” 89

A. MIHO Building activities within protected areas are often unfriendly and unsustainable to wetland conservation – Albanian case .....	p. 91
E. PAJENGA, M. KADRIU Comparative biomonitoring of certain Dumre lakes tenable on cell cycle....”	113
B. PEPA, E. KEÇI, A. PAPANISTO, H. KIÇAJ The assessment of water quality of shushica river (vlora) based on preliminary data of benthic macro invertebrates .....	” 121
B. PUPULEKU, G. KAPIDANI, P. NAQELLARI, E. GJETA Data on the palynomorphological characteristic of the genus <i>Silene</i> from Albania .....	” 131
B. PUPULEKU, G. KAPIDANI, P. NAQELLARI, E. GJETA Data on the palynomorphological features of some plants of Albania's Umbelliferae family .....	” 139
L. SHUMKA Considering landscape and water in the Dumrea region: challenges for integrated planning and sustainability .....	” 147
S. SHUMKA, F. BEGO, S. BEQIRAJ, A. PAPANISTO, L. KASHTA, L. SHUKA, A. MIHO, S. MALI Current knowledge of biodiversity in vjosa river system counting threats that jeopardize species and ecosystems survival .....	” 155
J. TITUS Forested wetland community description and analysis. A pre-emerald ash borer study in an era of global change .....	” 175
